ACKNOWLEDGEMENT

Thanks to YOU, Keynoters Instrumental Music Boosters member parents and guardians, who worked all year long to make possible a great 2023/24 school year

Special shout out to the administration and staff at Monte Vista HS for their continued support of our amazing music program. We couldn't do it without each and every one of you.

Special thanks to my students and their parents who made the year a success. Best wishes to the graduating class of seniors.

— Ed Cloyd, Director

Here we are at our Spring Concert and end of the school year! I am so proud of our MV orchestra students for their growth and perseverance this year. They scored the highest ratings in the Music in the Parks Festival and received great feedback from the adjudicators. Each one of you has contributed to our success!

I want to thank the orchestra for welcoming me this year and their willingness to take on difficult and challenging music. Thank you to Mr. Cloyd for all his help and direction this year, I'm privileged to be a part your team. And many thanks to Dr. Ahern and the rest of the VAPA team for their enduring support.

To the MV Keynoters, and all parents, you are the backbone for all we do! You are such a special group and I'm honored to be a part of the MV community.

To the seniors, best wishes in all future endeavors, keep music in your life and come visit! Finally, to my family—thank you for inspiring me everyday.

I hope everyone has a great summer! See you in the fall!

— Sara Dasovich, String Orchestra Director

ACKNOWLEDGEMENT

I can't think of a better way to celebrate the end of the school year than with music! Congratulations to all of the student musicians who worked so very hard this year, you all accomplished such great things. To the graduating class - we are all so very proud of you and are happy that you found a home in music and that will take your memories of MVHS music with you on all of your amazing adventures ahead.

Thank you to each and every person who raised their hand to volunteer this year - whether it was serving on the board, baking cookies, driving a carpool, loading equipment or setting up tables, we could not do any of this without you. MV Keynoters not only supports our music programs financially, but together we help create a community that encourages our children to find joy and meaning and accomplishment through music, which is so very special.

We are lucky to have talented directors at the helm - thank you Ed and Sara for continuing to mentor and encourage our students on their way! It has been a joy volunteering for this program and wish the very best to the incoming board and future volunteers.

— Erica Chretien, President, Keynoters
