# ACKNOWLEDGEMENT

Thanks to YOU, Keynoters Instrumental Music Boosters member parents and guardians, who worked all year long to make possible a great 2023/24 school year

Special shout out to the administration and staff at Monte Vista HS for their continued support of our amazing music program. We couldn't do it without each and every one of you.

Special thanks to my students and their parents who made the year a success.

Best wishes to the graduating class of seniors.

— Ed Cloyd, Director

I can't think of a better way to celebrate the end of the school year than with music! Congratulations to all of the student musicians who worked so very hard this year, you all accomplished such great things. To the graduating class - we are all so very proud of you and are happy that you found a home in music and that will take your memories of MVHS music with you on all of your amazing adventures ahead.

Thank you to each and every person who raised their hand to volunteer this year - whether it was serving on the board, baking cookies, driving a carpool, loading equipment or setting up tables, we could not do any of this without you. MV Keynoters not only supports our music programs financially, but together we help create a community that encourages our children to find joy and meaning and accomplishment through music, which is so very special.

We are lucky to have talented directors at the helm - thank you Ed and Sara for continuing to mentor and encourage our students on their way! It has been a joy volunteering for this program and wish the very best to the incoming board and future volunteers.

— Erica Chretien, President, Keynoters

# CONGRATULATIONS CLASS of 2024
