Welcome!

From MV Music Director Mr. Ed Cloyd

This is an opportunity for all music students and parents to remember where we came from and see where we are going. Music is a lifetime journey. I encourage all musicians to stick with musical studies throughout their academic career.

Please feel free to inquire about the musical offerings at the middle school and high school levels. Jazz band, concert band, marching band, orchestra... Whatever your interest, it is available.

Enjoy the concert and thank you for your support of music education!

Sincerely,

Ed Cloyd
Music Director
